Job Description

Job Overview

We seek dedicated, hardworking individuals to join our family farm operation in Neepawa, Manitoba. As a farm technician/worker, you will play a crucial role in our agricultural operations, assisting in various tasks to ensure the successful planting, growing, and harvesting of crops such as wheat, canola, soybeans, beans, sunflowers and corn.

Duties

- Co-ordinate and supervise the work of general farm workers and harvesting labourers
- Ensure farm safety and bio-security procedures are followed
- Maintain quality control and production records
- Schedule and maintain farm machinery
- Supervise and oversee growing and other crop-related operations
- Perform general farm duties
- Operate and maintain farming machinery and equipment
- Assist in field preparation, planting, spraying and harvesting crops

Qualifications

- Previous experience in farming or agriculture is preferred.
 - Ability to work long hours in busy season (Aug to November) outdoor conditions, with physical stamina and a strong work ethic.

- Familiarity with the operation and maintenance of farm machinery is an asset.
- Good communication skills and ability to work effectively in a team environment.
- A valid driver's license is required; Class 1 license is an asset.
- Ability to work independently and take initiative when needed.

If you are passionate about agriculture and looking for a rewarding opportunity to contribute to an active farm operation, we would love to hear from you!
